

# BAYPINES SCRAPBOOK 2014

Edith Brooks poses with our annual day speaker, Rev. Deborah Bishop, pastor at FUMC Atmore.

She was a great speaker who was very interesting, enjoyable and spiritual.

We are most appreciative to the Atmore ladies for hosting our district annual meeting at their church this past October. They were so cordial!

The fall decorations were absolutely beautiful as you can see from the above live arrangement, designed by the beautiful lady shown above.

Additional photographs of the same meeting are shown on the previous and following pages. As you can see, we had a grand time. Again, thanks to the Atmore ladies for hosting this lovely event.

Our president, Peggy, joins Marcia at the book table.
