

SPECIAL MISSION RECOGNITION

A main point in Developing Leaders, as in our Call to Prayer and Self-Denial program 2018, is to encourage and reward those who show leadership. You can probably think of at least one person who has been essential to your spiritual growth in the past year, or who has inspired others to take bold steps in leadership and action.

There's likely someone you know whose service to the church or community has gone uncelebrated, or whose advocacy has led to change for women, children and youth. A great way to honor this person or people is through United Methodist Women Special Mission Recognition.

An individual, circle or unit can recognize a faithful worker in mission by giving her or him a Special Mission Recognition pin. You can choose from several categories of pins, each one representing a different level of Mission Giving. You will receive a beautiful pin and a certificate with the name of the honoree and the donor signed by United Methodist Women's general secretary.

Special Mission Recognition is one of United Methodist Women's five channels of giving.

- 1) Special Mission Recognition,
- 2) Pledge to Mission,
- 3) Gift to Mission,
- 4) Gift in Memory,
- 5) World Thank Offering.

A Special Mission Recognition pin not only honors those who have dedicated their time and hearts to mission, but it also supports the work of United Methodist Women nationally and across the globe.

Honor those who daily show faith, hope and love in action for women, children and youth in your church and around the world.
