Mobile District United Methodist Women Newsletter

August 2020

Greetings to my UNITED METHODIST WOMEN SISTERS:

It is always an honor to greet you in the name of Jesus Christ, Our Savior and in the name of United Methodist Women. You have heard me say this many times, but I must also always remind you that I am honored to serve you in this great mission. I thank God for this opportunity.

By this time of the year, we would have normally completed Mission Studies, attended Mission u, had numerous fund-raisers, read a lot of books, and would be preparing for our Annual District Spiritual Enrichment Day. We would be looking forward to attending the Conference Spiritual Enrichment Retreat and watching the beautiful sunset at Blue Lake. However, as you know, thanks to the covid-19 virus, the whole world changed, and all of our in-person activities and events were cancelled. I am reminded of the old saying, if you want to make God laugh, tell him that you have a plan.

Has this year been a challenge for us? Yes, of course it has. We have had to re-set and re-imagine; we have had to re-think everything that we normally do. Just maintaining communications has been a major accomplishment. We have had to make adjustments while trying to stay focused on our purpose and goals, our responsibility and pledge to families all over the world while, all the time trying to keep ourselves and our families spiritually grounded, healthy and safe.

Has this year been a challenge for us? Yes, of course it has, but who better to face a challenge than this great community known as United Methodist Women? Why? Because we never lose hope and we never give up. We are a light and a bond of faith in all types of circumstances. We stand strong IN HIS SERVICE because we strive to experience freedom as whole persons through Jesus Christ; we strive to develop a creative and supportive fellowship; we strive to expand concepts of mission through participation in the global ministries of the church. In other words, WE PUT FAITH HOPE AND LOVE INTO ACTION.

In spite of all of the diversion and challenges, I want you to know how proud I am of our membership. Many of our units have put forth efforts to re-group by having zoom meetings, e-mailing, texting, calling and doing whatever it takes to keep us together and working. As a result, we are seeing service in action. We are a little over half way of meeting our \$20,000.00 PLEDGE TO MISSION (see the latest PLEDGE REPORT included in the newsletter) and several of our units made contributions to UMCOR and other community agencies. Also, our units are still serving the ladies at McKemie Place, Dumas Wesley Community Center and other programs through-out the city.

Are we facing challenges? Yes, we are. Are these challenges difficult? Yes, they are. However, we must always remember that it's not all about us – no matter how trying the situation, we have responsibilities. We have missions world-wide depending on our spiritual, physical, and financial support. Without us, they simple can't provide assistance to families.

In order for us to reach our goals , I am asking that we make special efforts to focus on these areas of concern: Meeting our PLEDGE; 5 CHANNELS OF GIVING; MISSION TODAY; READING PROGRAM (ask

your family and friends to read with us) and CHARTER FOR RACIAL JUSTICE (every unit must study the Charter). **I believe in us.** I know that the Mobile District will meet our goals.

Please stay informed regarding 2021 Mobile District Mission Team Elections and Conference Virtual Spiritual Enrichment Retreat. We need our entire membership to participate.

Thank you for your cards, calls and kind words of encouragement regarding my election to the Southeastern Jurisdiction Leadership Team. I appreciate your confidence and support and as always, I am honored to serve and represent the dedicated members of the Mobile District. My hope is that you will keep me lifted in your prayers.

Remember, are these times difficult? Yes, they are, but we can do this
Why? Because we are UNITED METHODIST WOMEN
How? Because we put FAITH HOPE AND LOVE INTO ACTION

God Bless and keep each of you and your families safe and healthy
Pray for our Bishop and Church Leadership
Pray for United Methodist Women
Pray for this world that we live in
Pray that we remember that we are to love one another as God has loved us

Treasurer's Report

I hope this finds you all Happy & Healthy and trying to stay COOL! The wonderful spring that we had at the beginning of this quarantine has been replaced with many days of (as one weatherman put it)—“Air you can wear” humidity!! 😊

I know this has been a strange year, but our district is really showing that pandemic or not, we are ready, willing and able to continue being advocates for Women and Children; as well as the community. The units of the Mobile district sent over \$2600 to UMCOR. (This money helped provide items for necessary kits, since our ‘kit-making’ activity that is

normally in May was canceled). Thank you, units for reporting your totals to me since this money was sent straight to UMCOR from the individual units.

As of August 10th, we have \$11,355 of our \$20,000 total pledge that has been fulfilled. We have a little over four months to complete this pledge, so please discuss with your units their plans for reaching the goals of being a 5-star unit. Currently, we have five units that have met these goals. The five channels of giving are: Pledge to Mission, Special Recognition, Gift to Mission, Gift in Memory and World Thank Offering. If you are curious if your unit has met the criteria, please do not hesitate to contact me. Stay Well and should you ever need anything, please call, text or email.

SEJ CONFERENCE UPDATE

Many thanks to members of the Mobile District for your interest and registrations for the cancelled SEJ Conference. Our registration numbers showed just how much we love UWM and want to help the mission succeed. Reimbursement checks are being mailed.

UMW DAY:

Hopefully we will have resumed in-person services by November. If so, each Local Unit is encouraged to start planning for our Annual Local Unit UMW Day. Please follow your individual church's guide and procedures for meetings and events.

MISSION TODAY:

Many of these items can be completed without in person meeting. Let's work hard to complete the requirements.

Education and Interpretation

Hello UMW,

We are half-way through 2020 and there have been many unexpected changes. We are not able to hold in person meetings with our units, but we are still trying to maintain contact with one another by email, text, phone or other online services. Please remember the 5 Channels of Mission Giving, The Mission Today Criteria and the Reading Program. Information can be found on the unitedmethodistwomen.org website.

Please ask every member in your unit to read books from the UMW Reading Program – you could even invite friends and family to read. Our district had a total of 91 readers in 2019, with 12 of 16 Units participating. We received the 2018 and 2019 Conference Reading Awards. If everyone reads, we can bring this award back to Mobile again next year – Let's Keep That Book Worm!

There are two following women who contributed information on being a UMW. Both were exceptional.

"It feels awesome to be a UMW. I really feel like I'm a part of a group that up lifts me in so many ways and I could not be more happier or grateful for this group" by Dominique House, Treasurer.

"I've been a UMW for over 20 years and I can truly say that I have enjoyed all of them. You learn so much about what is happening all over the world and our contributions to Mission." by Toni Broughton, Nominations.

As you know, the responsibility of the vice-president is to ensure that the purpose, goals, and activities of the unit are planned and followed. It is a position of support – it's the "glue" that keeps the unit together.

This my simple message to you in this publication. It is time to "re-set".

August 2020 Spiritual Growth

As I continue to go through our programs, I need to remember that I am writing for my sisters in Christ as well as myself. I want to make sure we pray and understand our mission so that we can reflect on how God has illuminated our growth with God and each other.

Bible Verse: Ephesians 5:8

You were once in darkness but now you are light in the Lord
so, live your life as children of light.

This program focuses on 3 people.

Victor Zinkuratiire, Kenyan Theologian and professor uses Isaiah as a prophet of hope. Isaiah's message of challenge and hope must be a model for the mission of the church today, to confront and expose trouble and transform the exploitation of violence and despair.

Former Bishop **Peter Storey** of the Methodist Church Southern Africa: When the South African Council of Churches headquarters that had previously been destroyed by a bomb circa (1990) He noted that the true church of Christ was to some a scourge and scandal to people in their land.

Marian Wright Edelman founder of Children's Defense Fund: Reminds us of how important this light, this refusal to conform, is to others. All of my mentors, men, women of different faiths all colors... Shared and instilled a vision and hope of what we could be, not what was.

Marian Wright Edelman

This is a line from the lesson I think that is appropriate to close with.

"We are to be sources of light and love, uncovering all that pretends to be religious, to be faithful, exposing all that defies God's calls to love and mercy and do justice, to be signs of Kin-dom of God breaking into our world here and now."

God Bless You

Social Action

Now is the perfect time to re-think and re-set our missions and activities because it is essential that we continue to meet our goals to our national missions while being of service to our churches and communities.

United Methodist

Women have always been on the front lines of social action in our nation. We have always supported the rights of the underserved and unrepresented. We take a stand. That's why we must stay aware of current events that surround us and effect families all over the world. How do you know how to distinguish the right path to follow in this changing and political filled world? We are blessed with the God given ability to discern right from wrong, good from evil. UMW guidelines are always available and you can just follow your heart – God will guide you to His will.

How do we stay aware and work together in these trying times? The answer is simple, COMMUNICATION. Not having the ability to hold in-person meetings is no longer a reason to not meet. We can use the resources and mediums available to us to find ways to stay in touch, share ideas and follow our purpose. So, it is possible to continue serving, giving, and sharing – we just do it in different ways.

As we enter the last quarters of the year, please be encouraged to not only "do our work", but to find ways to ENJOY being a part of the United Methodist Women Sisterhood. Find ways to be joyful and smile when we share. Call members to say hello – ask how they are doing? You will find that the smile comes back to you and your life will be greatly enriched.

Please be reminded that all units are requested to complete the CHARTER FOR RACIAL JUSTICE as a part of our year-end mission requirements. The forms can be found on our webpage under resources and forms. Deadline for reporting is November 30, 2020. Need help, let me know!!

Virtual Conference Spiritual Enrichment

Launching October 17th!
