Words from your District President, Gerry Stiffler:

Happy Spring! We are off to a great start with a wonderful event by the Bay Minette UMW. While I was not able to attend, I have heard great words about the food, the fellowship and fun.

On the same day we had an event for the presidents of the units on the east side of the district. Sorry about the overlap, but we have not gotten our calendars together so that the left hand knows what the right is doing. Please get your important dates out as soon as possible so that we don't overlap again. I am available to you by email and phone so let's talk.

The Presidents' Luncheon in Brewton went very well. We exchanged ideas, dates, and lots of information about finances, social action and mission studies.

I plan to meet with each unit during the year, so invite me to your special event. Getting to know one another will really help as we grow this year. The luncheon for the southern units was held on May 6, in Foley and I enjoyed meeting everyone.

It is time to review your plans for the year and be sure that you are accomplishing the needed requirements to be a 5 Star Unit. Some of the units have started a reading group to achieve the Reading Program Certificates.

Chose a mission study that your group will enjoy and get several to register for Mission U Study; the date for Mission U is July 21-22, and the date for registration is July 8. There is still time to invite another unit to work with you on the study.

Plan a World Thank Offering program and remind your members to feed their boxes. The boxes are .40 and can be ordered from the Service Center. Are you using the gift to mission cards? These cards support our mission for women, children and youth around the world.

There is a new Program Book available on line. You may want to print one to have all of the new information. Go to <http://www.unitedmethodistwomen.org> to find it and the latest news and information about programs, members and initiatives. There is a world of information on line, give it a try.

Have a great summer!

Reminder: Mission u that is scheduled for July 21-22 at Millbrook First United Methodist Church. Please make plans to attend! Three studies will be offered and the deadline to register is July 8, 2017.

I attended the spiritual retreat at Gulf Shores United Methodist Church recently. The theme was Crazy Prayers...Crazy Faith led by Rev. Janie MacBeth. Refreshments were provided by the ladies from the church. It was a wonderful event with sweet fellowship and humor.

Blessings,

Not FAKE news:

For nearly 169 years, Methodist women have been championing the causes of the poor in economics, in mind, in body, and in spirit. It breaks my heart that our society today appears to be more focused on our own comfortable lifestyles than with caring and protecting the most vulnerable children of God. Jesus left this earth with two big commandments: Love God and love others. (Matt. 22:37-38) Let us all remember that as Christian women we are called to care for the poor, the lost, the weak, the hungry, the orphans, the widows, the imprisoned and the strangers. Let us recommit ourselves to our call and arise, protect, and serve!

PURPOSE

United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

SPIRITUAL GROWTH

Judy Hust

From the United Methodist Hymnal p. 92:

*For the Beauty of the earth, for the glory of the skies,
For the love which from our birth over and around us lies;
Lord of all to thee we raise this our hymn of grateful praise.*

What a wonderful opportunity to pause and thank God for a beautiful world and life to enjoy it. As we look out our window and see green grass growing, trees leafing out and many flowers beginning to bloom we know that spring is here. Do we thank God enough?

I realize that only a few units in our district now have spiritual growth coordinators. So I assume all presidents have taken it upon themselves to see that the prayer calendar is used at every meeting—spiritual books are being read by members---and the spiritual needs of members are being met. How else can we expect to accomplish great things for God without asking for His guidance. We need to be aware of all our mission projects---our missionaries---our leaders in our governing boards and pray daily for them. The Prayer Calendar will help us do that. As we learn more of God's will we will be able to continue his work.

To help you in your walk why not plan to attend one or both of these meetings in the future:
