It is hard to believe but 7 months of 2018 have come and gone, and it is back to school for another year. Two weeks ago, I sent a letter to the unit President and Treasurer with a report of the funds received from your unit so far this year. Many of our units did not meet over the summer months so we are behind in our giving. Thus far, the Montgomery/Prattville District has submitted the following funds toward our Pledge for Missions:

Pledge to Missions:	\$4442.50	(includes \$64.50 for Change for Change)
Special Mission Recognition Pin:	240.00	
Gift to Missions:	100.00	
Gift in Memory:	120.00	
World Thank Offering:	127.00	
Total towards our Pledge:	5029.50	

Our District made a pledge of \$12,200 for 2018 so we have \$7170.50 remaining. November 30 is the last day for me to receive funds from your unit to be counted for 2018. I would encourage you to discuss your unit's finances when you meet again. To be a 5 Star unit, you must contribute to all five of the areas above and I hope each of our units will strive for this.

Additional funds received that are not part of the 5 Star Program and are considered over and above donations:

Prayer and Self Denial:	\$520.00
Conference Love Offering:	292.50

If you have any questions or need assistance, please feel free to contact me at 285-5788 (H) or 322-4086 (C).

Education and Interpretation  
Coordinator

Greetings to the Wonderful UMW Women of the Montgomery-Prattville District, AWFUMW Ladies, we have almost made it through another year in the world of UMW. Through the eyes of this District Education and Interpretation Coordinator, I see a time when, even though our numbers may be declining, many of us are still focused on, relying on, and insisting on this very significant “institution” in the life of our church women. There may be other avenues that afford us some of the same opportunities that we are privileged to in UMW, but the UMW organization and its mission have a unique way to bring us together, do good work, and be the supportive community God intended us to be.

The position of District E&I Coordinator oversees the annual district-wide mission studies and the progress of our wonderful directive tool, Mission Today, a great guide to what we need to be doing locally in UMW. This year we were blessed to have the study on “Living in a Covenant Community” which reminded us of who our neighbor is and how we are to live in a wholesome communal environment and the study on Missionary Conferences of the United States where Tutti Johnson opened our eyes to more in-depth activities and needs of three US conferences to which we are lending support. Thanks so much to the open hearts and open doors of Wetumpka First UMC and Montgomery First Church for hosting these studies in such a warm and friendly manner.

Mission U gave us a glimpse into 2 studies for 2019: **“Embracing Wholeness”**, which challenges us toward stronger and healthier relationships with all creation, with ourselves, and with God in ways that may not have been examined or even thought of previously, and **“What About Our Money? A Faith Response”** which explores our relationship with money and how we individually and collectively respond to economic inequalities in light of our faith. Debbie Bracewell has already graciously consented to lead the study on money at Greenville UMC on Saturday, March 16, 2019. Mark your calendars now to attend. The study, “Embracing Wholeness” will be led by our district coordinators in June 2019 at a time and place TBA. Be watchful.

To all E&I Coordinators, and/or Presidents, and/or Vice Presidents, please get your annual reports of mission study and Mission Today participation to me as soon as possible. As always, I deeply appreciate all of you and my opportunity to serve UMW.

**From Reba Wooten  
Membership Nurture & Outreach**

**MEMBERSHIP**

This is an important aspect of your unit. It is important to maintain an updated membership list, including new, lost and deceased members. Take the opportunity to ask non-members to join, including young women and teens. You may plan an event and ask each member to bring a non-member.

Personal contact is important. You may never know when someone will respond when approached personally. You may have a goal to increase your membership by at least one.

**NURTURE**

Once you have members it is important to keep in touch with them. You may send birthday cards, e-mail them, or give them a call. Remind them of meetings or other local activities. Be sure to include everyone when setting goals, planning projects or attending District Mission studies, other District events as well as Conference events

**OUTREACH**

We need to all work on increasing the membership of United Methodist Women, especially younger women and teens. As we look at our congregations, I am guessing you see many ladies that are potential members. Don't hesitate to invite them. You may be surprised at the response you will receive. Make sure your programs are interesting and applicable to our beliefs.

Good luck as you prayerfully continue to serve Him.

### **Social Action: Love Your Neighbor As Yourself**

United Methodist Women have studied many issues this year in our mission program. All of the subjects planted a little seed of Faith, Hope and Love. Let us begin with the Faith Seed.

We must believe that big things can, and do, grow from small seeds. Greet your neighbor with just a Smile, a warm voiced Hello, or a Wave of the hand in recognition of their presence. Imagine what one seed of Faith can do. Remember that " Faith is the substance of things hoped for, the evidence of things not seen." (Hebrew 11:11)

When we ask God for something, don't be surprised when he gives you that and more. We must have Hope even when we do not see God working.... He Is Working! We need to do good deeds and let it become a daily habit and automatic part of your life. Are you happy and love that warm feeling you get after you have helped your friend, neighbor or stranger?

Eight (8) times in the Bible we are told to LOVE our neighbor. This is one of the Bible's most repeated commands. Whether they appreciate you, or respond to your love, Jesus' command is still valid: You must show love to your neighbor in a practical way. If we really love our neighbor, the first thing to do is pray for them. Through our request in prayer, God is given requests to work in our neighbor's lives.

*Who is my neighbor?.....A neighbor is someone, who is near-by, wherever you are.* Us loving our neighbors is a part of God's plan to bring them to him and our love demonstrates what God and His kingdom are like.

My sisters in Christ, our love should not be just words and talk; it must be true love, which it shows itself in *action*.

## Do you need a Mission Project?

### Maternal and Child Health

The 2017 Prayer and Self Denial program about the lack of feminine hygiene products for girls and women following childbirth in underdeveloped countries opened the eyes of 4 churches in the Montgomery-Prattville District (Clanton, Mulder, Metropolitan and Millbrook).

Girls cannot attend school during these 5 days a month because they do not have access to hygiene products or cannot afford them. It is believed that girls who stay in school are less likely to marry early or die in childbirth and they are more likely to train or educate their families. Following childbirth many women develop infections because they do not have clean hygiene products.

One solution to this problem is to provide girls with their own Hygiene Kit which contains 3 pair of underpants, a soap dish and bar of soap, a wash cloth and 6 washable pads with safety pins for closure, and a zip lock plastic bag for soiled pads. All these items are enclosed in a pretty draw-string bag. The pads are very absorbent, washable and expected to last 2-3 years.

The first shipment of 60 Hygiene Kits for girls and post partem mothers was sent in December 2017. We now have 52 more to ship this month. Our kits went to Haiti where Rev. Steve MacInnes and his wife Tish were missionaries. Pastor Steve is a member of the AWF Conference and currently is serving a church in the Montgomery-Prattville District but still maintains contact with Haiti.

## The Reading Program 2018

[www.unitedmethodistwomen.org/readingprogram](http://www.unitedmethodistwomen.org/readingprogram)

The Reading Program encourages members to think critically about current issues through an annual selection of member-reviewed books. It offers an excellent opportunity to deepen your spirituality and to broaden your understanding of our mission work.

### The Reading Program Leads to Action!

For 140 years, United Methodist Women have been involved in mission that includes prayer, study and action. The Reading Program is a study opportunity, but it should also lead to action. The purpose of the program is to encourage United Methodist Women members to:

- Expand understanding of and participation in God's mission.
- Increase sensitivity to all human beings—their needs, interests and concerns.
- Encourage critical thinking about issues facing humanity today.
- Grow in understanding of Scripture as it relates to Christian faith in contemporary life.
- Enhance self-knowledge and act from that knowledge.
- Strengthen involvement in local and global Christian mission.

### Local UMW members can choose from 1 of 5 reading plans:

#### Plan I: 5 Books Per Year
